## Western Community Centre

"Currently working on applying for funding to support 200 of our vulnerable Hamilton West families with large/medium boxes free, fruit and veggies that we will deliver. We would distribute 200 per week for at least a month. We could add frozen meals to food parcels."

## Red Cross

"Our meals will keep coming. As the government has declared New Zealand Red Cross' Meals on Wheels programme an essential service."

## The Serve

"We have close and personal relationships with our whaanau. We would like to keep that relationship by delivering to them. We want to collaborate with and assist other organisations"
