Kiwi Johnson  
Negotiator  
Ngāti Koheriki Claims Committee  
101 Albert Road  
RD 4  
PALMERSTON NORTH 4474

Tēnā koe

Thank you for submitting the Ngāti Koheriki Claims Committee mandate strategy and mandate hui results.

We have assessed this information and concluded that the Ngāti Koheriki Claims Committee has the support of Ngāti Koheriki and is an appropriate body to represent Ngāti Koheriki in settlement negotiations with the Crown for all outstanding historical claims, referred to as 'non raupatu'. Ngāti Koheriki raupatu claims were settled through the Waikato Raupatu Claims Settlement Act 1995.

We have asked the Office of Treaty Settlements to publicly notify the mandate strategy and mandate hui results and invite submissions for a three week period. Officials will work with you on this.

We are pleased to recognise the mandate of the Ngāti Koheriki Claims Committee to represent Ngāti Koheriki in negotiations with the Crown for the settlement of all outstanding historical Treaty claims of Ngāti Koheriki on the condition that any issues raised by submitters on the deed of mandate are addressed to the satisfaction of the Crown.

Please also find attached the agreed Terms of Negotiation signed on behalf of the Crown. It is exciting to be in a position to conclude both matters so expeditiously.

We look forward to further work with you during negotiations.

Nā māua noa,

Hon Christopher Finlayson  
Minister for Treaty of  
Waitangi Negotiations

Hon Dr Pita R Sharples  
Minister of Māori Affairs

**CROWN EXPECTATIONS  
AND  
MATTERS FOR AGREEMENT  
BY THE CROWN AND THE NGĀTI KOHERIKI CLAIMS COMMITTEE**

# Crown Expectations For Treaty Settlement Negotiations

## Purpose of this document

1. This document:
  - 1.1. records the Crown's expectations for negotiating the settlement of historical Treaty of Waitangi claims with the Ngāti Koheriki Claims Committee; and
  - 1.2. is not legally binding and does not create a legal relationship.

## Objective of the Negotiations

2. The Crown's objective of the negotiations is to negotiate in good faith a settlement of the historical claims of Ngāti Koheriki that:
  - 2.1. is comprehensive, final, durable and fair in the circumstances;
  - 2.2. recognises the nature, extent and injustice of breaches of the Crown's obligations to Ngāti Koheriki under Te Tiriti o Waitangi / The Treaty of Waitangi and its principles and, where appropriate, acknowledges the effect of these breaches on the economic, social, cultural and political well-being of Ngāti Koheriki;
  - 2.3. provides a platform to assist Ngāti Koheriki to develop their economic base. In addition, the Crown acknowledges that Ngāti Koheriki may view the settlement as a means of enhancing their social, cultural and political development;
  - 2.4. enhances the ongoing relationship between the Crown and Ngāti Koheriki (both in terms of Te Tiriti o Waitangi / The Treaty of Waitangi and otherwise);
  - 2.5. restores the honour of the Crown; and
  - 2.6. demonstrates and records that both the Crown and the Ngāti Koheriki Claims Committee have acted honourably and reasonably in negotiating the settlement.

## Actions Enabled by Final Settlement of All Claims

3. The final settlement of all the historical claims of Ngāti Koheriki will enable the:
  - 3.1. release and discharge of all of the Crown's obligations and liabilities in respect of those claims;
  - 3.2. discontinuance of the Office of Treaty Settlements landbank arrangement for the protection of potential settlement properties for the benefit of Ngāti Koheriki;
  - 3.3. removal, for the benefit of Ngāti Koheriki, of:
    - 3.3.1. statutory protection for claims against the Crown;
    - 3.3.2. any resumptive memorials from the titles of land subject to the State Owned Enterprises Act 1986, the Railways Corporation Restructuring Act 1990, the Crown Forest Assets Act 1989 and the Education Act 1989;

3.3.3. removal of the jurisdiction of the courts, the Waitangi Tribunal, and any other judicial body or tribunal in respect of the historical claims of Ngāti Koheriki, the deed of settlement, the redress provided or settlement legislation (but not for the removal of such jurisdiction in respect of the implementation or interpretation of terms in any deed of settlement or any settlement legislation); and

3.3.4. discontinuance of any legal proceedings or proceedings before the Waitangi Tribunal in relation to the historical claims of Ngāti Koheriki.

#### **Matters Unaffected by Settlement**

4. The settlement will not:

4.1. diminish or in any way affect any rights that Ngāti Koheriki have arising from Te Tiriti o Waitangi / The Treaty of Waitangi and its principles, except to the extent that claims arising from those rights are settled;

4.2. extinguish or limit any aboriginal or customary rights that Ngāti Koheriki may have; or

4.3. have the effect of granting, creating, or providing evidence of any rights or interests under the Marine and Coastal Area (Takutai Moana) Act 2011, nor does it affect the ability of the iwi or hapū to make applications for recognition of protected customary rights or for customary marine title under the same Act, or pursue any other remedies available to them.

5. In addition, the settlement is not intended to affect any decision, proposal or report of Te Ohu Kaimoana either under the Māori Fisheries Act 2004 or in respect of the "fisheries" deed dated 23 September 1992.

#### **Definitions**

6. The Crown's understanding is that the Deed of Mandate for the Ngāti Koheriki Claims Committee sets out:

6.1. that the Ngāti Koheriki Claims Committee is the representative body mandated by Ngāti Koheriki; and

6.2. who Ngāti Koheriki is and the scope of their historical Treaty of Waitangi claims.

7. The definition of Ngāti Koheriki and Ngāti Koheriki's historical claims may be further developed by the Crown and the Ngāti Koheriki Claims Committee during the negotiations for inclusion in the deed of settlement.

8. The Public Finance Act 1989 contains a definition of the Crown.

#### **Other Matters**

9. This document, and any negotiations held, do not bind the parties to reach a settlement. All agreements reached during negotiation are not binding on either party until and unless expressly provided for in the signed deed of settlement and settlement legislation.

10. Crown guidance on the process for negotiations is set out in *Healing the Past, Building a Future: A Guide to Treaty of Waitangi Claims and Negotiations with the Crown*.

## **Matters for Agreement by the Crown and the Ngāti Koheriki Claims Committee**

1. The Crown and the Ngāti Koheriki Claims Committee (the parties) agree:
  - 1.1. negotiations will be on a "without prejudice" basis and will be conducted in good faith and a spirit of open communication;
  - 1.2. negotiations will be conducted privately and in confidence between parties unless the parties agree otherwise;
  - 1.3. any agreement reached in the course of negotiations will remain confidential to the parties unless they agree otherwise;
  - 1.4. to make media statements only when mutually agreed;
  - 1.5. the Crown may be required by law to release information about the negotiations (for example, under the Official Information Act 1982);
  - 1.6. they may agree to extend their confidential negotiations to include other interested groups:
    - 1.6.1. the extended negotiations can apply to some or all of the issues in the negotiation;
    - 1.6.2. other interested groups included in the extended negotiations will be expected to agree to the same obligations of confidence to join the negotiations;
    - 1.6.3. for example, the Crown and the Ngāti Koheriki Claims Committee may agree to include one or more neighbouring groups in negotiations to jointly address common redress sought by the groups and the overlapping interests of the neighbouring groups;
  - 1.7. to ensure regular and appropriate internal communication procedures through the negotiations;
  - 1.8. the Ngāti Koheriki Claims Committee will provide the Office of Treaty Settlements (OTS) with reports on the state of its mandate every six months and OTS will advise the Ngāti Koheriki Claims Committee of any correspondence it receives about the mandate of the Ngāti Koheriki Claims Committee;
  - 1.9. during negotiations neither the Ngāti Koheriki Claims Committee nor the registered claimants of Ngāti Koheriki will pursue any legal proceedings relating to the subject matter of negotiations; and
  - 1.10. if the Ngāti Koheriki Claims Committee or the registered claimants initiate legal proceedings, the Crown will consider its position and may withdraw from negotiations.

### **Overlapping Interests**

2. The overlapping interests of all groups, either settled or unsettled, must be addressed to the satisfaction of the Crown before a deed of settlement is initialled.
3. Redress negotiated as part of the deed of settlement may need to reflect the significance of an area or feature to overlapped groups. Non-exclusive redress instruments may be used.

Handwritten signature or initials in black ink, appearing to be 'RS' followed by a stylized flourish.

4. The Crown will encourage the Ngāti Koheriki Claims Committee to engage with neighbouring groups from the outset of negotiations to agree how any interests in overlapped areas should be provided for.
5. The Crown will assist the Ngāti Koheriki Claims Committee by providing information on proposed redress items to groups with overlapped interests and facilitating discussions to resolve issues.
6. The Crown's preference is that groups decide between them how best to deal with overlapped interests. If this is not possible, a Ministerial decision may be necessary.
7. Where the Crown is engaged in negotiations with claimant groups whose rohe overlap, the Crown will regularly update each mandated body on the progress of each negotiation (but will preserve any necessary confidentiality of information in those negotiations).
8. Where the Crown becomes aware that the mandated representative of another claimant group has expressed an interest in potential settlement assets or redress in which the Ngāti Koheriki Claims Committee have also expressed an interest, the Crown, before finally offering the particular redress item or asset for inclusion in a settlement, will:
  - 8.1. notify the Ngāti Koheriki Claims Committee of the shared interest; and
  - 8.2. facilitate a discussion between the relevant mandated representatives in order to attempt to resolve, at an early stage, any potential conflicts between claimant groups about the potential redress.
