The text of the letters will be agreed between Te Ātiawa Iwi Authority and the Crown and issued as soon as practicable after the establishment of the Te Atiawa governance entity and before the signing of deed of settlement.

Natural resources redress

- 5.40 Te Ātiawa Iwi Authority, the Crown, and the Taranaki Regional Council have been discussing mechanisms to enhance the involvement of the iwi of Taranaki in natural resource management within the Taranaki region.
- 5.41 The Crown has approved two standard arrangements which may be negotiated, including:
 - 5.41.1 an advisory board, where the Taranaki Regional Council must have regard to the advice of iwi; and
 - 5.41.2 a joint committee, which gives iwi direct input into the development of regional policy statements and regional plans under the Resource Management Act 1991.

- 5.42 The Crown has also approved the negotiation of a non-standard arrangement, should the parties agree. Taranaki Regional Council has suggested one alternative arrangement which the parties may consider. This arrangement involves:
- 5.42.1 permanent representation on the Taranaki Regional Council policy and planning committee and/or regulatory committee; and
 - 5.42.2 offering training for two hearing commissioners from iwi to be available to sit on resource consent or plan hearing committees as needs arise.
- 5.43 Following the signing of this agreement, the Crown and Te Ātiawa Iwi Authority will, together with the other iwi of Taranaki and the Taranaki Regional Council, negotiate an arrangement to enhance the involvement of iwi in natural resource management within the Taranaki region.
- 5.44 The parties agree that any arrangement must:
- 5.44.1 be consistent with Government policy and guidelines in relation to the involvement of iwi in natural resource management through Treaty settlements;
 - 5.44.2 have the support of the Taranaki Regional Council;
 - 5.44.3 provide an effective role for Te Ātiawa, and the other iwi of Taranaki who choose to participate, in natural resource management in the Taranaki region; and
 - 5.44.4 be as efficient and fit for purpose as possible.

Cultural redress generally non-exclusive

- 5.45 Where cultural redress is non-exclusive, the Crown may do anything that is consistent with the cultural redress contemplated by this agreement in principle, including entering into, and giving effect to, another settlement that provides for the same or similar cultural redress.
- 5.46 However, the Crown must not enter into another settlement that provides for the same redress where that redress has been made available exclusively for Te Ātiawa.
- 5.47 Clause 5.46 is not an acknowledgement by the Crown or Te Ātiawa that any other iwi or group has interests in relation to land or an area to which any of the non-exclusive cultural redress relates.

Special acknowledgments

- 5.48 Research is currently being undertaken to ascertain whether statutory pardons could be applicable to any Te Ātiawa tupuna. Statutory pardons are granted by Parliament rather than the Crown, but may be facilitated by the Crown. In the Treaty settlement context, statutory pardons may be granted in the interests of reconciliation and forgiveness rather than on the basis of innocence or wrongful conviction.

- 5.49 The Minister for Treaty of Waitangi Negotiations is authorised to decide whether to facilitate statutory pardons when they are requested by claimants. If Te Ātiawa formally request statutory pardons, Cabinet will have an opportunity to review any proposed pardon when agreement is sought to initial a deed of settlement.
- 5.50 Where the threshold for a statutory pardon is not met, the Crown will explore other mechanisms to acknowledge the treatment of Te Ātiawa tupuna.

6 FINANCIAL AND COMMERCIAL REDRESS

Financial and commercial redress amount

- 6.1 The deed of settlement will provide that the Crown will pay the governance entity the sum of \$87 million on the settlement date, or after the date of the signing of the deed of settlement if the parties agree to that earlier date (the **payment date**), less -
 - 6.1.1 the total of the agreed transfer values of any properties that the deed of settlement provides are commercial redress properties to be transferred to the governance entity on the settlement date or earlier as agreed by the parties.
- 6.2 In 2000, the Crown made an on-account payment to Te Atiawa Iwi Authority pursuant to the Heads of Agreement dated 26 November 1999. The sum paid was \$400,000. In 2011 dollars this amounts to \$676,000.
- 6.3 The parties acknowledge the deduction of the on-account payment from the financial and commercial redress amount was not referred to in the Terms of Negotiation, recent quantum negotiations or the final letter of offer to Te Ātiawa.
- 6.4 At the time of signing this agreement, the parties have been unable to agree on the treatment of this payment and, in particular, whether it should be deducted from the financial and commercial redress amount.
- 6.5 The parties agree to continue discussions on this matter with a view to resolving it before the deed of settlement is initialled.

Potential commercial redress properties

- 6.6 The deed of settlement will provide that the Crown must transfer to the governance entity on the settlement date those of the properties described in schedule 3 as potential commercial redress properties that the parties agree are to be commercial redress properties.

Potential deferred selection properties

- 6.7 The deed of settlement will provide that the governance entity may, at any time from the settlement date until the end of the deferred selection period, purchase any or all of the potential deferred selection properties described in schedule 3 that the parties agree are to be deferred selection properties.

- 6.8 All properties are subject to statutory and other clearances to identify any obligations to former owners or other parties. Any railway property is also subject to a Memorandum of Understanding dated 21 January 1999 prior to confirming its availability. The Memorandum of Understanding sets out the reversionary interest to the New Zealand Railways Corporation (now Kiwirail) arising from any disposal of surplus rail land by Land Information New Zealand.

Potential sale and leaseback properties

- 6.9 The Crown offers to explore the availability of the potential sale and leaseback properties described in schedule 3 for purchase by the governance entity as deferred selection properties.
- 6.10 If the parties agree that the potential sale and leaseback properties are to be deferred selection properties, the deed of settlement will provide that the governance entity may, for the deferred selection period, purchase the properties at an agreed transfer value subject to a leaseback by the governance entity to the Crown from the date of its purchase -
- 6.10.1 on the terms and conditions provided by a registrable ground lease for that property (ownership of the improvements remaining unaffected by the purchase) incorporated in the deed of settlement; and
- 6.10.2 if the Crown leaseback is to a department other than the Ministry of Education, at an initial market rental determined in accordance with the valuation process generally used in Treaty settlements; or
- 6.10.3 if the Crown leaseback is to the Ministry of Education, at an initial annual rental based on an agreed rental package of the agreed transfer value in accordance with the Crown leaseback (plus GST if any); and
- 6.11 Sale and leaseback of Ministry of Education sites (land only) will be subject to –
- 6.11.1 standard Ministry of Education sale and lease back policy, operational considerations, and to the outcome of historical gifting checks; and
- 6.11.2 the transfer value (for commercial redress properties) and to the lease (for both commercial redress properties and deferred selection properties) being agreed one month prior to initialling the deed of settlement; and
- 6.11.3 the condition that a leaseback property will cease to be a sale and lease back property if before the settlement date (in respect of commercial redress properties) or before receipt of an election notice (in respect of deferred selection properties) the Ministry of Education notifies the governance entity that the site has become surplus to its requirements.
- 6.12 Following the signing of this agreement, the Ministry of Education will disclose to Te Ātiawa Iwi Authority information on the Ministry's sale and leaseback policy, including policy considerations during the initial selection / identification process of sale and leaseback sites.

Right of first refusal

- 6.13 The settlement documentation will provide that the governance entity has a right of first refusal (**RFR**) in relation to:
- 6.13.1 a disposal by the Crown of any of the properties or land within the RFR area that the parties agree is to be RFR land if, on the settlement date, it is owned by the Crown and the Crown is able to offer such a right; and
 - 6.13.2 the RFR will apply for 172 years from the settlement date.

- 6.14 Following the signing of this agreement, the parties will explore a RFR in relation to properties or land outside of the RFR area but within the area of interest, subject to overlapping claims

Waitara Endowment Land

- 6.15 The Crown offers to transfer the Waitara Endowment Land (as described in Appendix 1) to the governance entity subject to:
- 6.15.1 the conditions of the sale and purchase agreement between the New Plymouth District Council and the Crown;
 - 6.15.2 the acquisition by the Crown of the Waitara Endowment Land for that purpose from the New Plymouth District Council;
 - 6.15.3 the inclusion of certain provisions within the Te Atiawa deed of settlement and settlement legislation to give effect to the sale and purchase agreement between New Plymouth District Council and the Crown; and
